

Jai jinendra all!

Here is the third online homework for pathshala.

1. Please review the alphabet: K-O. All the printables have been provided. For letter N, the colour science is the last page in the printables. Kids please write in your own words how you have interpreted the meaning of each alphabet. Parents help the kids who struggle in reading and writing. **(Elder kids - 10 lines ; Younger kids - 5 lines)**
2. We hope everyone enjoyed the last 21-day chart. Once you finish with that, -please continue with the new 21-day chart below. Kids are supposed to close their eyes and move their finger over the chart every night, wherever the finger stops, please follow that block for the next day. Make sure to mark it as done.
3. Answer the given questions based off of the previous homework

Please feel free to call any pathshala teacher when needed.

Thanks,
Pathshala Teachers
